3rd September 2024

Dear Parent/Carer

Like many schools in Cardiff, Danescourt Primary is a Healthy School and we will continue to encourage our pupils to have a healthy fruit/vegetable snack every morning. Fruit and vegetables are ordered from a local supplier every week in order for us to make this provision. Children in KS2 choose their healthy snack from a trolley that is run by Year 6 pupils every day. Children in Foundation Phase choose fruit in their classrooms.

The cost of this provision is £1.50 per week and payment can be made on ParentPay. This payment can be made termly at £19 per term.

Last year we did not cover the costs and had to subsidise payments to the supplier. Therefore, this year, only children who have paid will be able to select healthy snacks from the school provision.

FP (Nursery, Reception and Year 1)

Nursery, Reception and Year 1 have their healthy snack when they have milk. This is prepared daily by staff and children often all sit together and enjoy snack time before break time.

Milk is provided free of charge for all of the children in Foundation Phase (Nursery - Year 2).

Year 2 children choose their healthy snack during the morning when they feel ready to have a short break from their learning. The majority of children in Year 2 choose to have fruit and vegetables from the paid scheme. Some children choose to bring their own healthy snack from home. If they bring their own healthy snack for the morning please can you make it clear to them that they won't be choosing anything from the school provision. Thank you.

Due to a choking hazard, grapes are not permitted in FP or KS2.

KS2 (Year 3 - 6)

Please can you let your child/children know if they are having their snack from the KS2 trolley as this can cause confusion, especially with Year 3 as they transition from Year 2.

Alternatively, your child can bring fruit/vegetables from home.

Thank you for your continued support.

Yours faithfully
Healthy Schools Team
