

# Cycle A Design

**RVE**

**Responsibility and Action, The Natural World and Living Things, Values and Ethics**

**RSE**

**Relationships, Decision Making, Mental Health and Wellbeing**

**Identity**

**This is MY World!**

Questioning and understanding our place in the world, rights, responsibilities, personal choices, the world I know, the world I need, the world I choose, the world I love!

**Ethics**

**Responsibility**

**Stop the Clock!**

Human Impact – the Age of Humans (Anthropocene); Human history of innovation and its impact on 'our world' today - good and bad!

**Action**

**Reboot!**

How can we be innovative, take action and put things right? Sustainability, global citizenship; regeneration and growth.

**Literacy, Numeracy and Digital Competency**

**Human rights education and diversity; Local, national and International contexts, Careers and work-related experiences**
