I am writing to share some exciting news about First Kick Football and to seek your support in spreading the word to your students and their families.

We have recently transitioned to a not-for-profit organisation. This change allows us to channel all our profits back into the community, specifically to provide more opportunities for children to engage in football and related activities.

Our first initiative has already seen us reach the final of the 'Community Business of the Year' Awards.

As a thank you for your support, we can now offer a limited number of free 12-week football course vouchers to schools. We understand that the need for these places will vary, and you know your children/parents better than anyone. However, all we ask is that you give the place to a child that otherwise would not have the opportunity to attend the course. (Please do not use the vouchers as raffle prizes, awards for attendance, bingo prizes, etc).

Your assistance in this matter would be invaluable. By distributing our leaflets, you help us reach more families and enable more children to participate in our enriching football activities. The more children that book onto the course, the more we can give back to schools.

If you would like to use this voucher, please contact us to make this booking.

Kind Regards,

Michelle

Dear parents,

Places are now available to join a new **12-week football course every Tuesday at Ysgol Glantaf School, starting 12th May**, which is open to both boys and girls.

Our courses teach children correct football techniques by FA qualified coaches who have full DBS (CRB) clearance to work with children. The structure for the course is 'FUN through Football,' building confidence for total beginners and moving onto more complex sessions for experienced players.

We provide a **ball per player** for the majority of our drills ensuring children get more touches of the ball and improve quicker than conventional coaching where children are waiting around to have a turn. The sessions are held on the fantastic AstroTurf pitch so trainers or AstroTurf boots should be worn. Players are also advised to bring a still drink for the session.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability on the course will be recommended for trials at professional academies.

The cost of the course is just £6.67 per week, which is payable in two instalments. The first payment of £30 is due when booking your child on and the second payment of £50 due at the first session. Parents are encouraged to watch the sessions but are welcome to leave children, as every session is fully supervised.

****NEW TOURNAMENT FORMAT****

Every four weeks we have a tournament in order for the children to put their new-found skills into practice with medals and trophies awarded at the end of the course for various categories.

ALL PLAYERS WILL RECEIVE A TROPHY & A MEDAL at the presentation, which is held on the final week of the course. Additional trophies will also be awarded in each group from categories including; Best Attitude, Star Player, Most Improved Player, Most Promising Player and Hardest Working Player.

To book a place for your child please telephone the number below as soon as possible as a high response is expected.
